Richard,

I am available to talk this morning at 11:30 Central, I'll await your call.

It's possible that I won't have the most up to date status report for you, but will see if I can reach my program clients before we talk.

Regards,

Erik

**Subject:** LDF Update call

Dear Erik:

Hope that this note finds you well. Was hoping that you would have time this Monday, April 18th at 11:30 am CT, for a short call to discuss the status of the EPA R-5/Lac du Flambeau Band consultation process and the remedial status of the Tower Standard UST/Haskell Lake Petroleum Contamination Site.

If the proposed time does not work, please suggest an alternative.

Have a good weekend.

Richard
